Additional information ➔
Disciplinary Communication Requirement
Students of every major must satisfy that major’s upper-division Disciplinary Communication (DC) requirement. The DC requirements will be met with HAVC 100A.

Senior Comprehensive Requirement
All seniors must complete one seminar, 190–191, as their “senior exit” course to satisfy the senior comprehensive requirement. Seminars can be taken for senior exit credit only by permission of the instructor. Within the context of this advanced seminar, students will produce carefully supervised work culminating in the completion of a written project that meets the standards of the senior level of achievement in the major.

Transferring Courses Toward the Major
Students may transfer up to 5 courses towards the major: 3 lower-division courses and 2 upper-division courses.

Letter Grade Policy
Major requirements must be satisfied with coursework completed with a Pass (must be equivalent to a 2.0 or higher) or grade of C (2.0) or better.
